## Swami Talks About Jesus and Mary

Part Two of Three Talks  
Talk at the Penukonda Ashram  
Year of Talk, 1998

**Swami:** What you're doing today now? You not hearing me properly?

Philip: You mean what am I doing today? I wasn't sure how to answer the question. We're working on the Jesus book. We're going to listen to your revelations about the life of Jesus.

**Swami:** Is it recording properly? Is it recording properly?

Philip: Yeah. Oh thank you (to Monika L) you figured out which one it was, very good.

**Swami:** Oh you scared first thing in my life Monika L?

Philip: It's interesting, you knew something wasn't recording though.

**Swami:** Well, today we are going to start about the Jesus book. In the world nobody have this messages. It's really unbelievable and we have a lot of proofs how he traveled in India and a lot of from the saints. There is many, many, experiences from the saints. Right now I'm going to talk about the Jesus, when he is in India. What type of powers he have, what type of powers he wonned in his life... The Jesus, he came to India approximate around twenty years to twenty-six years old. What about what they wrote in their book?

Philip: They said that he came to India when he was fourteen.

**Swami:** Fourteen?

Philip: Fourteen and then came again after his resurrection.

Monika L: Fourteen to thirty. Then they say he died at thirty-three, then came...traveled back again to India.

Philip: Traveled sixteen years and then came back to India.

**Swami:** Ok, whatever I heard information I will share with you.

Philip: They are guessing of course.

**Swami:** But it is... I have the palm leaves book - it is there. One of them wrote clearly. But some hundreds of years back they wrote and they also copied from another book what I saw from one of my friend saint - I saw his book. No problem. Are you ready to write madam?

Monika L: Um-hum.

**Swami:** We saw first beginning, in the universe - he's the number one masters - he's the number one master to connect to the whole universe. He have the direct channel in the universe. He can connect any soul, any point, anywhere - very easily. That's, are all techniques he learned in India through his greatest hard work by help of the many, many, saints in this India. Especially we can find a greatness in the Jesus, he is the topest healer - he's the masters of the healer. What we say that?

Monika L: Master of healing?

**Swami:** He's the master of the healing. He is only one of the topest guy on the healing process. He can give the healing right away - immediately. He can give the answers from the cosmic. He is going to protect all his students from the cosmic - very easily. When he is in India, he practiced sixteen type of the powers. That is number one, Pancha Tantra

Monika L: Can you say that again?

**Swami:** Pancha Tantra, Pranic Tantra - that is the two Tantric Vidyas. He learned in his life two Tantric Vidyas. In the universe, only that two persons only have that, one is Shirdi Baba, another one is the Jesus. Third one is Veda Tatwa, fourth one is Atma Yoga Tatwa, fifth one is Atma Kandana, sixth one is Parakaya, seventh one Vivya Karsha, eighth one Vivya Vikarsha, ninth one Atma Sandana, tenth one Amrutha Vidya, eleventh one Jala Vidya, twelfth one Agni Vidya, thirteenth one Asta Siddhi, fourteenth one Jiva prani daksha vidya, fifteenth one Pranaki Datta Vidya, sixteenth one Sanjivani Vidya. You got it: Can you repeat?

Monika L: (she repeats all)

**Swami:** Great. In the universe, even if you see the *Vedas*, if you study any type of the powerful books, there is only the sixteen angles. There is only sixteen, how we say that? Only the sixteen chapters is a high level. Is only sixteen doors to reach the God to become a God in the universe. I told only the thirteenth one, Asta Siddhi. To my students, just I explained the thirteenth one, Asta Siddhi, only one that.

Monika L: You did?

**Swami:** Asta Siddhis.

Monika L: Is that considered in the Gagana Rayka?

**Swami:** Yeah, Asta Siddhis, eight hands of the Mother Divine. Only I explained the Asta Siddhi, then these are all... I'm also in the process with the Pranic Tantra Vidya, the second one. When he's, the Jesus is in India, he took the help from the three women - woman's name is Annupamayogini, Prasodanayogini...

Monika L: Can you say the first name again?

**Swami:** Annupamayogini, Prasodanayogini, Ambikayogini - they the three ladies helped him according to the Indians' people thinking when he is in India and we can see in the palm leaves... also there, about their three names. The Jesus know before, all his life what he's going happens in his life. You understood what I'm saying?

Monika L: When did he know that?

**Swami:** When he's in India.

Monika L: That's when he found out about his mission?

**Swami:** His astrology. He found through the three people his astrology - totally clearly - what happens in his life. Even though he is learning all these are, all techniques in his life, there is a big tradition in India, *Vedic powers*. Who learned these, are all powers - they can't live naturally on the Earth. Who learned from A to Z powers in their lives, the cosmic doesn't make to them to live as a human body on Earth. They sucks unbelievable negativity energy in their heart. The soul can't stay in their hearts strongly, the different, any reason it makes to going out. When even when he's learning these, are all powers, he knew what happens to him but he doesn't care. But he's very happy to sacrifice his life to the whole, to his students - then he learn all the powers.

Monika L: They told him beforehand that would happen?

**Swami:** It happens. Like a Ramakrishna Paramahansa, the Bhairavi Mata what she explained. When the Ramakrishna Paramahansa practicing all type of the techniques - eight powers - the Bhairavi Mata told, definitely you are receiving unbelievable negativity. You will die with the horrible situation, body condition that's why Ramakrishna Paramahansa died with a huge cancer in his back, with everyday with the, what we say that - squeezing, painful like a horrible pain. But even though he got the, received many, many, powers, everyday he's talking to Mother Divine, but himself, he can't help. There is a big law in the universe, a healer can't protect himself, a healer must need another healer. Like a Jesus, he learned the totally powers from A to Z - that's why even though the people is making to cross, what we call that, crucify.

Monika L and Philip: Yes, crucify.

**Swami:** Crucifying on the cross, he's very happy - nobody can't help him on the moment, he can't use himself the powers. That's a big condition, before learning all these type of powers - he can't use all this powers himself.

Philip: You mean on himself.

**Swami:** ...on himself. When he's carrying the cross in the streets with, what we call?

Monika L: Thorns.

**Swami:** He can turn like a thorn like a flower.

Monika L: For someone else?

**Swami:** (snaps his fingers) When they are beating with, what they call that?

Monika L: Whip.

**Swami:** He can turn like a beautiful garland - is it true?

Monika L: Yeah, but not for himself.

**Swami:** Himself, he's a man of the love. The Indian tradition says, "Jesus is equal to love - love is equal to Jesus." So, these sixteen types of powers he learned in India, while he traveled whole India from the top to the bottom. Especially he stayed long time in Mysore, in Karnataka state on the hill, Chaurandeshwari Hill. He meditated there, then he got the darshan of the Mother Divine there, in his first enlightenment - happened in India.

Monika L: Was it there?

**Swami:** Yeah. That's the first enlightenment.

Monika L: How many years was he doing sadana before it happened?

**Swami:** I'm not sure but my vision more than nine years, more than nine years. He always, he uses the Pranik Tantra, the second one. Pranik Tantra, his body can manifest the same time, same minute, same day in many places. In that, he's a master on that. That he learned in India unbelievably. The Pranik Tantra Vidya, it belongs to

the Parakaya Pravesh Vidya. The Adi Shankara in India... you writing that, it's important point? He's also master on the Parakaya Pravesha. The Parakaya Prevesha Vidya means, I want to give a small introduction on that and I'm going to talk about Pranic Tantra Vidya about small introduction. The Parakaya Pravesha means, he can go in the dead bodies to make it alive. He can pick up any soul and he can send any soul in any body - dead body - or himself, he can go in the dead bodies. What I did in the Japan, when it is? When I went?

Monika L: January.

**Swami:** End of the January, I did there. There's a lot of video cassette and proofs there.

Monika L: You went into another body?

**Swami:** Uh-huh. It's a animal, what we call that - sheep?

Monika L: Sheep.

**Swami:** Sheep, like a lamb.

Philip: Was it a dead lamb?

**Swami:** Dead lamb, so Parakaya Pravesha it's called Parakaya Pravesh Vidya. According to this Parakaya Pravesh Vidya, he uses all his power on, his protecting his students in the world. When the any person needs help in their lives he goes to any persons even though one person is living there, is alive - he can join his soul to that body that person's soul. It only comes through the Pranic Tantra Vidya. Otherwise, generally, as a natural saints who learn the Parakaya Pravesha, if the any body's alive, they can't go again inside there.

Monika L: If the body is alive?

**Swami:** Alive. Suppose Philip is alive, my soul can't go again in his soul to join. The Jesus can do... only one person in the universe, he can join with any soul immediately.

Monika L: Alive or dead?

**Swami:** Alive or dead, then he can help all his students in his life.

Philip: You have that power too.

**Swami:** My energy, with my energy, that's different. I'm in the process - Pranic. I'm in the sixty percent right now, in the June I'll be complete - I totally these all sixteen.

Philip: You do all sixteen?

**Swami:** Um-hum. I'm in the last one, Pranic. After sixteen done - no permission - it's a big law - no permission to stay on the Earth.

Philip: That's why you have to take Jivan Samadhi?

**Swami:** Uh-huh, and many saints also working on me to stop, especially your friend.....who?

Philip: Vishva Yogi, our friend.

**Swami:** Good. He's your best friend, he's my, one of beautiful enemy in my life. Not that meaning, beautiful enemy means - in a spiritual he's always, if I go north he goes to south, so...

Philip: That chapter is closed right?

**Swami:** I hope so, I hope so... I want to only in my life to success both of guys to make it successful, to spread my messages in the world in the truth process, in the right way to help the universe. So, these are all systems of the powers.

Philip: Will you tell us what the individual ones are later at some point?

**Swami:** Yeah, right now?

Philip: Sure.

Monika L: Well, whenever you like is fine.

**Swami:** To me, just in my mind, I have little one by one, one by one...

Monika L: That's fine.

Philip: Ok, whenever you want.

**Swami:** So, through these two techniques, Pranic and Parakaya, is helping right now in the universe - unbelievably. After 2000 the Jesus energy, what we say, consciousness?

Monika L: Yeah.

**Swami:** Jesus consciousness is working very, very, beautifully, unbelievable powerfully, he's coming on the planet. That's, I can say hundred percent true.

Philip: That's after 2000?

**Swami:** From the 2000, he's coming for, to the giving the judgment to the universe and he's coming to help and to protect to the whole universe and he's coming to give the enlightenment to all his students who was praying to him. In this book I'm going to tell some techniques how to receive, how to call the Jesus through the Pranic and through the Parakaya prayers. Who does the Pranic and the Parakaya, the techniques they can see the Jesus directly, they can feel the Jesus energy in their heart forever and ever until to their last breath. The Jesus always he walks with them - he sleeps with them - he eats with them - he runs with them - he always follows with them who practice the prayers of this Pranic and Parakaya, the same process of the Jesus. Like a Jesus is a huge magnet with... after learn these two techniques. If we practice some little bit of one or two percent these Pranic and Parakaya techniques, the, we can turn our soul like a beautiful magnet to go to reach to the Jesus' thought. Is it make you sense Madam?

Monika L: Yeah, I'm very happy.

Philip: It's one of the most beautiful things I've ever heard in my life.

**Swami:** What?

Philip: These are some of the most beautiful messages...

**Swami:** No, in the universe, in the Indian tradition, if you search any *Vedas*, if you see any powerful books in the *Vedas*, *Athrunava Veda*, it totally tells there is a four *Vedas* the *Athurna Veda*, the fourth one, it tells completely one A to Z powers. Here also it tells which one it is, third one Veda Tatwa, after learn Veda Tatwa means, he knows whole *Vedas*.

Monika L: It wasn't through studying, it was through....

**Swami:** He received, he received, totally he received the... (Swami's phone rings) Excuse me. So, we can find especially, we can find especially the greatest, greatness in the Jesus, it is only Jiva Prana Daksha Vidya - it is the fourteenth one. Jiva Prana Daksha Vidya means, when he's receiving any type of energy from the cosmic, from the supernatural creation - there is a big commitment to his soul and to the supernatural cosmic, without his notice, if anybody want to help - his soul must be go and to protect them. If they uses any type of the techniques in the sixteen techniques, there's a big commitment from the Jesus, he must go and help them. He means, without his notice, his soul energy must go and protect them. So, after later I will talk about all the sixteen techniques and how they uses, how we call the Jesus, how many powers as a natural person can learn. Every person can turn in their lives like a Jesus, especially in this century - why you laughing?

Philip: Nothing.

**Swami:** Tell.

Philip: Beautiful.

Monika L: He liked that.

**Swami:** The God is not so great, why can't you not great? Everybody's the great - you understood what I'm saying?

Philip: But you're giving the tools for everybody to experience the greatness.

**Swami:** Tools means?

Monika L: Techniques.

**Swami:** Techniques, yeah... God is everywhere, he's living in you, he's living in me - God is everywhere so just rising up the sixteen techniques in our soul. Who practice just a minimum of the sixteen practices, at least three, four, they can reach higher level even in this century.

Philip: How long will it take the students to get results?

**Swami:** It depends on their hard work and it depends on their faith, it depends on their doing in the right process.

Philip: You have to turn that over I think, it just stopped (fixing the recording equipment.)

**Swami:** It's already done?

Monika L: Yeah, so depending on your hard work – faith.

**Swami:** Your hard work and faith and completely to surrender to the service for, into the hard work in the universe and to just to open their heart for to the God, it's very, very, important in their life to reach to the God. Actually when the Jesus came on Earth it's God sent him intentionally on the Earth as a messenger of the God, he born on Earth for the only the purpose, to help the universe. He's the first person in the universe, the messenger of the God.

Monika L: He's the first?

**Swami:** First person as a powerful person, unbelievable powerful person.

Philip: What about the other incarnations Krishna and all the others, more powerful?

**Swami:** They are like just, *Vedic* tradition it says, Karma - you know Karma? They went all through this when the Rama was born as a

human body on this planet, he learned all this through as a Krishna, he born as a human form in the Dwarpara Yuga, he went all this, through these techniques. They went all this, through techniques at one point, they left their body in the middle like a Jesus, but they didn't give any message to the world, this is this, this is this - you understood what I's saying?

Monika L: What about Krishna in the *Bhagavadgita*?

**Swami:** He says in the *Bhagavadgita*, do whatever you want, in one many, do whatever you want, don't depend upon the results in your life. So everything and the next sentence he's saying, "Everything is I am doing through you, everything is I'm doing through you, it doesn't matter what you're doing - just you do it. I'm making you to do it. Just you are a doll in my hand - you do it," that's he say. But in his direct saying, you do these, are all techniques, he never say anywhere, "You go this process, you go this process, you go this process. I will help you totally - like that." You understood?

So, I found in my life after practicing, after researching many, many, things, every person must need practice, hard work to reach any point. Without having any practice - impossible to reach. There is a rice, if you want to make the food, you must create the fire, you must make the fire and you must clean the rice and you pour and you make it first of all, even when you want to raise up some consciousness, the master can help to you to the show the way. Any person, any saint...there is only chance twenty, fifteen percent they can help you to grow up, not for up to end. No person have no, completely powers to help them, to give this all the sixteen techniques right away.

Monika L: No person.

Philip: Jesus have this happen? Not even Jesus?

**Swami:** No, everybody must go the practice - hard work - who came as a human body on the Earth, they must practice and they must reach.

Philip: What do you mean that Jesus is going to give judgment?

**Swami:** Judgment means, to making their lives to reborn, to forgiving - forgiving nature.

Philip: So what if someone is a sinner now, what will Jesus do for them?

**Swami:** What?

Philip: In terms of judgement, say someone is living a very bad life.

**Swami:** If they totally surrender to Jesus, to his love and to his grace, if they asked him, he's forgiving. In the universe, he's the only one topest person, a forgiving master. Whatever you did, if you completely surrender, if you say apology with your whole heartfully, complete with faith, No, no, totally Jesus, I did a wrong, please forgive me," then he can wash all the mistakes right away. That's why Jesus became one of persons, he became very great successful. It means forgiving means, taking all the Karmas from them.

Monika L: He's taking all the karmas?

**Swami:** He's taking all the Karmas from them. From his soul there is energy drops forever and ever until to this whole creation ends. It's flowing from his soul, the energy drops to heal whole his students in the world. The coming from the energy drops in the soul is one of the techniques here, Pranikidatta Vidya - just open his heart to the students

Monika L: He sends his energy drops?

**Swami:** Energy drops to the students. Can you stop little while?

End of Talk
